

Dear Applicant,

Thank you for your interest in a position at Camp Haccamo for the 2009 summer season. We are looking to hire an enthusiastic and dedicated staff that will provide a safe and enjoyable camping experience for our campers. Our counselors make up the core of the Haccamo staff.

There are some exciting changes happening in 2009. This summer, we will be operating at two different sites. During the weeks of July 6<sup>th</sup> and July 13<sup>th</sup>, we will hold two weeks of camp for our adult campers at our site in Penfield. Then, between August 1<sup>st</sup> and 14<sup>th</sup>, we will be running two weeks of camp for children ages 7-17 at Sunshine Camp in Rush.

We provide enriching summer fun activities as well as high quality care for children and young adults with developmental disabilities in the Monroe County Area. Counselor duties include supporting camper success in all traditional camp activities including arts & crafts, music & drama, nature, recreation, and swimming. Fishing, boating, hiking, and talent shows are also highlights of a camper's experience at Camp Haccamo. In addition, counselors provide assistance with campers' individual daily living needs throughout their weeklong stay with us.

Camp Haccamo counselors will also have an opportunity to work for Rotary Sunshine Camp for an additional two weeks. Their camp sessions run during the two weeks during which Camp Haccamo is not be in session. Please look for that opportunity on our application.

If you are looking to join a fantastic team of individuals and to create a memorable camping experience for groups of children and young adults, please complete the attached application and return it along with your resume, if available. Qualified applicants will be contacted to interview for one of our open positions.

Thank you again for your interest in joining our team!

Sincerely,
